

Annual newsletter - JOY Dogs 2025

What a busy year we have had – again! This was the year of the new solar system, the new puppy and the new car.

We had to deal with the loss of Yola in July – she had been a real trouper all her life and was best at the JOY Dogs work rather than the Dulux work. We miss her still.

The arrival of YoYo was most welcome and she and Jade play all the time, starting at 4am after breakfast. She integrated well into the family despite my concerns and loves the work.

The car started to give trouble so I traded it in on a Suzuki XL6, removed the rear seats and had a platform fitted and new signwriting. I am still getting used to its bigger size and complexity with advanced technology.

I managed to get to the UK and visit my brother Roy for 8 days in March and Janet and Rene did the Dulux work the weekend I was away as well as accompanying me on some of the away trips. I am so grateful to them and to Rene who also stayed to house and pet sit for me.

I turned 70 this year and invited friends round for coffee and cake for the weekend of my birthday.

Yola and Jade continued seeing Travis, the chiropractor and are the better for it. Jade loves it.

JOY Dogs work – We didn't do many formal events with JOY Dogs this year. Often we were already booked with Dulux when enquiries came in. We did do a visit to a crèche (April) a visit to my financial broker Angela and a birthday party, as well as a Mandela Day visit to an elderly care facility – Garden Village. We also visited a few times at Edenhaven when I picked up my friend Pat. We visited Hyper Life and they all come running out to say hi to the dogs, the Pro shop at Glenvista Golf Course, Miriam at Dischem Three Rivers, Chas Everitt and Mall of the South, Heart of Cornerstone charity shop, Absolute Building Solutions.

Articles – we got articles in the Comaro Chronicle, Alberton Record, and Southern Courier. Not all the articles were in print and some were online. We are grateful for Desnay, our contact at Caxtons who always is there for us.

Away trips – We found suitable accommodation with a private fenced off area so the dogs can go off lead. We stayed over in Hoedspruit – (Three Bridges), White River (2) (22 on Kiaat), Vryburg – (Poetry Guesthouse), Middelburg (Town and Country), Kimberley (Hadida Guest House)

Day trips – Vrede, Bloemfontein, Klerksdorp, Potchefstroom, Rustenburg, Welkom, Middelburg, Ermelo

The plan is to work a bit less next year and I have already organised holiday trips (with a promo or two) to see my friend Angela in Underberg, then go through to KZN and stay with Rene in January. A trip to George (after a promo in Aliwal North (a trip I did 3 years ago) to see friends in George, Knysna, Plettenberg Bay in February, and to see my brother in March.

I wish everyone a peaceful and happy festive season. We will be taking a break over Christmas but already have work booked for January and February. I will do some JOY Dogs visits so the dogs will continue to get groomed. We are looking forward to spending more time at home, playing some guitar and having a rest.

Regards

Sue
